## **YP Day at the Capitol – Value Proposition**

YP Day at the Capitol is a one-day experience designed to help young professionals better understand state government, engage with elected officials, and represent their organization and their community at the Kansas State Capitol.

**Pitching This Opportunity to Your Employer? Here are a few valuable talking points.**

❖ *Professional Growth*

Gain a practical understanding of the legislative process through a Legislative 101 session and remarks from elected officials. Build policy awareness that supports informed decision-making and leadership development.

❖ *Community & Industry Impact*

Learn how state-level decisions affect our organization, workforce, and the Manhattan region. Return with insights that support organizational awareness and community engagement.

❖ *Networking & Relationships*

Participate in a hosted lunch with peers and legislators. Meet with members of the local delegation and expand professional connections across industries.

❖ *Representing Our Organization*

Demonstrate our organization's commitment to civic engagement and leadership development while positioning our team as informed and engaged professionals.
